**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who is currently enjoying fiber broadband service provided by Sonic. Their service is a breath of fresh air compared to the likes of Comcast cable companies that I've been using for a long time prior to Sonic. Sonic is reliable, economical without the bundled unwanted services and respond well to customers.

Please do not cut off competition by allowing big cable companies to hold a monopoly on the broadband services.

Kindly,
Brian Lee
